

Year 7: MY BOX OF DELIGHTS

Date set: Week beginning 14/9/15

Due in: Week beginning 09/11/15

You are asked to create a box of colourful information and imagery that explains a little bit more about you and your interests/hobbies and what you like

Task 1: You are asked to find and decorate a box (*no bigger than a shoe box*) in the style of one of the following artists: PICASSO, MODIGLIANI or JULIAN OPIE.

This will involve you **looking** at the artist's work, **choosing one** to focus on and selecting **one or more** of their pieces of their work to use as ideas with which to decorate the **outside** of your box. This could be painted or drawn, the choice is yours. (*No print outs please!*)

The inside of your box can be decorated in **any style you want** as the inside is about you. This could be collaged with images/words that you like, painted, lined with paper or material, anything that makes you happy!

Task 2: The inside of the box should contain some of the following:

Perhaps **small objects or toys** that mean something to you, **photographs**, copies of **certificates** you may have won, important **dates** and/or **mementoes** of places you may have visited, **badges, ribbons, lace** or small pieces of **jewellery**. *Any of these or anything else that you can think of!*

Please do not include any information or objects that you do not want to share with us, this is your personal box and you should be comfortable with what you include!

Task 3: A **letter** to us telling us about what you have learnt about **the artist you have chosen** to use to decorate the outside of your box. This should include their **name**, any important **dates**, what you think about **their style of work**, why you have chosen to use them, **what you like** about their work? *Also any other information that you would like to include about them.*

Task 4: **Two self portraits**, painted or drawn, influenced by the style of **your chosen artist**. You can help yourself to create these by either looking in a mirror or using a photograph of yourself.

Have lots of fun creating your own personal

BOX OF DELIGHTS!
